

# Timelines #2

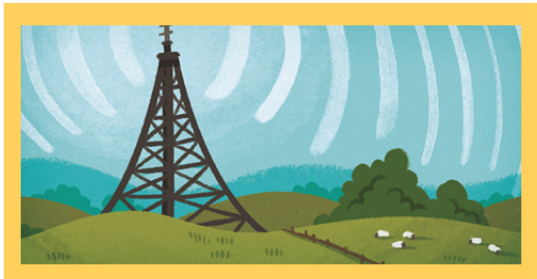

Test your knowledge of History Heroes by playing our Timelines game!  
To play, simply work out who the four History Heroes are below, then put them in order when they were born.

A 20th century artist, I have been called the Mother of American Modernism.

In 1905, my theory of special relativity introduced completely new physics laws.

My invention and use of wireless signals was the starting point for radio.

I mapped and helped create modern Iraq after the First World War
